

Darlington SC Irrigation Branch Manager Opening:

TriEst has an exciting opportunity for a motivated professional who can thrive in a team environment and foster relationships within the organization and with our customers as we continue to grow our presence in the irrigation industry.

We are looking for an experienced Branch Manager in our Darlington, SC, facility. The position involves customer service, inside counter sales, and warehouse duties. The individual should have the ability to learn product knowledge quickly, perform regular inventory counts, increase sales with outstanding customer service, and exhibit self-motivation.

Specifically, this person will:

- Ensure branch and employee compliance with company and industry policies and procedures
- Increase the overall productivity of the branch by budgeting effectively, eliminating inefficiencies and capturing growth opportunities
- Identify, evaluate, and manage strategic risks and opportunities
- Maintain fruitful relationships with current customers and establish good relationships with new ones. A strong history of working directly with customers is a plus.
- Manage daily operations by utilizing existing processes to oversee inventory management, order fulfillment and the proper handling of all paperwork required in these processes.
- Manage inventory levels and product mix
- Order stock and specialty items as necessary
- Oversee and assist in regular inventory cycle counts
- Assist customers/service personnel with product technical support
- Manage and fill in for subordinates assigned to warehouse duties, counter sales, and delivery
- Carry out supervisory responsibilities in accordance with organization's policies and applicable laws

Qualifications:

- Associate Degree or equivalent from two-year college or technical school in agriculture or business; or one-year related experience and/or training
- Proficient computer skills including MS Office
- Ability to calculate figures and amounts such as discounts, margins, percentages, area, circumference, and volume
- Able to multitask and manage multiple projects at once
- Able to lift 75 lbs consistently throughout the work day
- Must be able to climb onto a 4-foot high truck or trailer to stack product and secure loads
- Must have or be able to get a forklift license
- Preference will be given to applicants with plumbing/irrigation knowledge or agricultural backgrounds
- Job Type: Full-time
- supervisory: 1 year (Preferred)

Position Offering:

TriEst also offers a full benefit package to its associates which includes the following:

- Employee Health Insurance
- Paid Vacation and Sick days
- 401(k) Retirement Plan
- Paid Life Insurance
- Annual performance reviews with possible wage increases
- Job Type: Full-time
